Sinhgad Institutes

Department of Electronics & Telecommunication Engineering

Sinhgad Institute of Technology & Science, Narhe, Pune - 41.

A

Presentation on(Times new roman-24)

“Title of Mega Project.” (Times new Roman (size 28)

Presented By:-

1. NAME 1 PRN No:
2. NAME 2 PRN No:
3. NAME 3 PRN No:

Project Guide	Project Co-Ordinator	HOD(E&TC)
	Prof.S.B.Gaikwad	Dr.R.R.Kubade

CONTENTS(Times new roman-32 font size)

1. Aim
2. Objectives
3. Introduction
4. Literature Survey (Can be survey of research papers or survey of available technologies in this field)
5. Proposed Block Diagram anSud Description
6. Hardware/ Software /Specifications
7. Design and Implementation (Circuit diagram, PCB layout etc)
8. Results (Include screen shots of simulation & final results, S/W H/W both)
9. Applications and Future Scope
10. Advantages and Disadvantages
11. Bill of Material
12. Conclusions
13. References (Papers referred ,books and websites)

Note: Topic heading :Times new roman-font size 28
Content Times new roman-font size 18
Line Spacing-1.5cm

AIM

Aim (Should be only one) of your mini project in one or two lines only.

Example :-

- Design and Development ….. OR
- Implementation of ……OR
- An Android-based …

OBJECTIVES

Make simple 4/5 Objectives of your project starting from “To”

Example :

- To study the state of art networks.
- To design ….
- To develop …..
- To study, identify and analyze

INTRODUCTION

- Introduction should be point wise.
- Maximum 2/3 slides addressing following
  - Background
  - Motivation and problem definition.

LITERATURE SURVEY

- Maximum 2/ 3 slides.
- Papers and comments (Paper Based)
- Explain relevant basics, existing technology etc
- Material / technology used.
- Component Survey

LITERATURE SURVEY

Sr.No	Paper Title	Author Name	Year of Publication	Methodology& Limitations	Advancement
1					
2					
3					
4					
5					
6					
7					
8					
9					
10					

BLOCK DIAGRAM

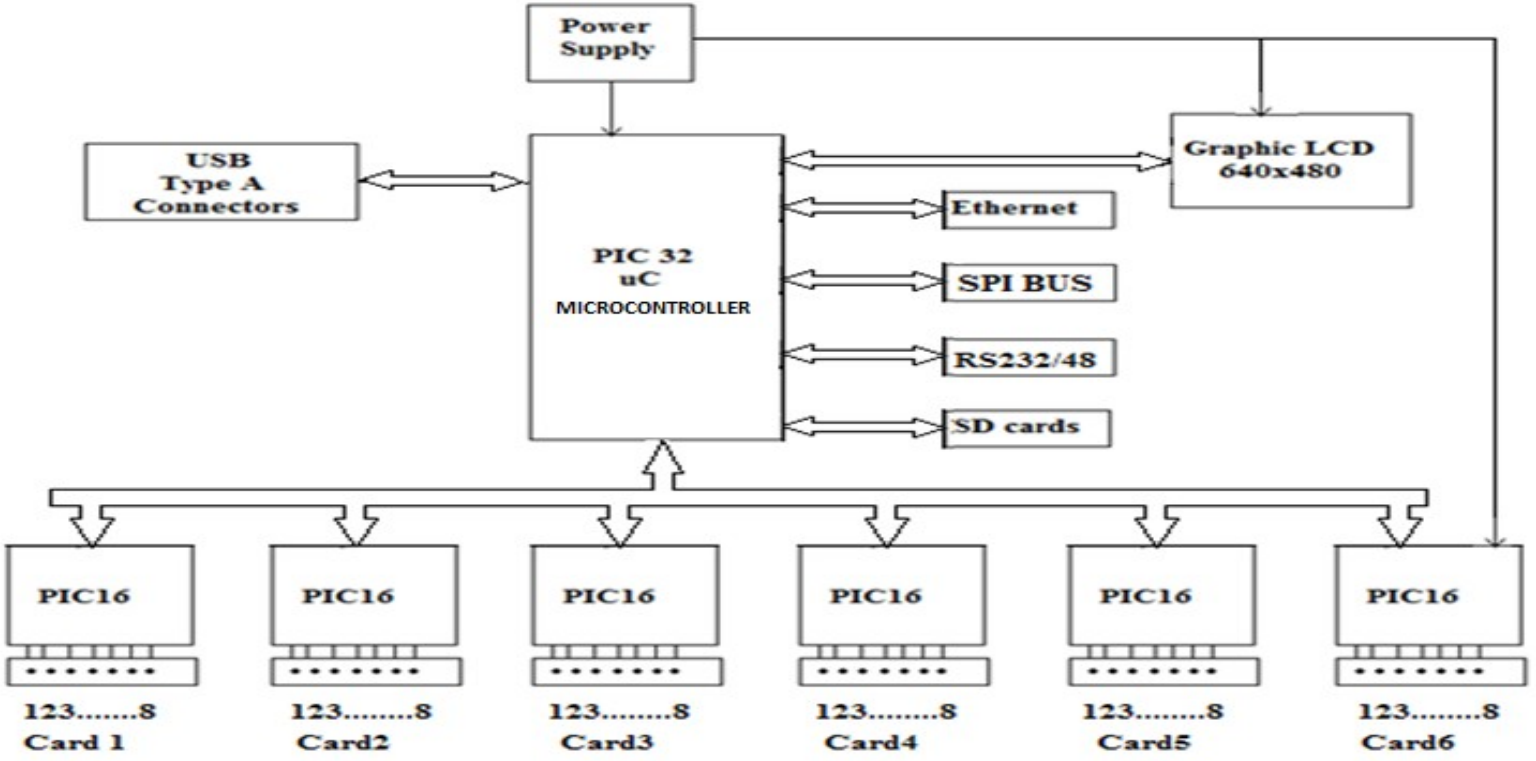

Fig. 1 Block Diagram of Data Logger

BLOCK DIAGRAM DESCRIPTION

- Explanation of each block (point wise).
- Example:-
- Microcontroller
  - Heart of project
  - Processing of …..
  - Manipulates …..
- GSM Module

TECHNICAL SPECIFICATION OF PROJECT

- Hardware Specification
- Software Specification

DESIGN & IMPLEMENTATION

- Circuit diagram
- Design calculations if any
- PCB layout
- etc

RESULTS (3/4 slides)

- Simulation result
- Final Result

ADVANTAGES, DISADVANTAGES

- In list the advantages
  - Simple to fabricate.
  - Flexible due to microcontroller. So on…
- In list the disadvantages
  - Complex system. So on…
- In list the applications
  - Used as ……

FUTURE SCOPE & APPLICATIONS

-
-
-
-

BILL OF MATERIAL

SR. No.	Component Used	Total Quantity	Cost
	TOTAL COST OF MINI PROJECT		

CONCLUSIONS

Write in one small paragraph

- (Justification is required in conclusion).
